# The joy of bathing

For over 50 years, SOMANY's contribution to the tile market has been characterized by style, performance and innovation. This deep understanding of the market and experience have been used to create our Sanitaryware & Bath fittings range.

We began our journey in 2011 in the Bathware category. Till date, we have over 1,200 direct dealers and distributors across India.

## about the brand

The Sanitaryware & Bath fittings range from SOMANY offers comprehensive and classy washroom solutions. Each product in the range is crafted to cater to those who appreciate style and fine design. Designed to soothe and stimulate the urbane and sophisticated, the styles range from contemporary to neoclassical.

Our Sanitaryware products are manufactured in Morbi, Gujarat and Bath fittings in Derabassi, Chandigarh. Our sanitaryware plant, spread over 88,000 square meters, is one of the largest in the region & churns out 1 million pieces annually. It is also the single largest producer of one-piece toilets in the ceramic hub. On the other hand, our Bath fittings factory, spread across 2,200 square meters. has a yearly production output of nearly 1.5 million units.

Despite being one of the leading tile brands in India for 50 years and counting, we strived to push deeper into the home solutions category. Please join us in discovering our painstakingly crafted products in this catalogue.

Furthermore, our exquisite range of products is available across our network of state-of-the-art showrooms at SOMANY Grande, SOMANY Exclusives, SOMANY Bath Studios and also at our various dealer counters.

# Certificates

SOMANY Bathware has gained widespread recognition for its commitment to excellence and adherence to stringent quality standards, resulting in the acquisition of numerous certifications. These certifications not only validate the company's dedication to providing top-notch Bathware products but also assure customers of their exceptional quality. SOMANY Bathware has been awarded certifications such as ISO 9001:2015 for its robust quality management system, ISO 14001:2015 for its environmentally sustainable practices, and ISO 45001: 2018 for ensuring a safe and healthy workplace environment. Additionally, SOMANY has also received certifications from BIS, IAPMO & GRIHA further endorsing the superior quality and reliability of its Bathware products. These certifications serve as testaments to SOMANY Bathware's unwavering commitment to delivering outstanding products that meet and exceed industry standards while prioritizing customer satisfaction and safety.

Introducing Antimicrobial Sanitaryware for your health and safety.

- Silver Nano Technology
- Long Lasting
- No Micro Porosity
- One Touch Germ Kill
- Permanently Antimicrobial Surfaces

SOMANY Bathware takes environmental sustainability seriously and has introduced a remarkable range of water-saving products. These innovative solutions are designed to minimize water consumption without compromising on functionality or user experience. By choosing SOMANY, customers can contribute to water conservation efforts, reduce their ecological footprint, and enjoy long-term savings on water bills

# Why us?

 Strong support to Make in India, using the finest quality of raw materials of Indian origin

 Adjustable water-saving flushing mechanism (3/6Lpf)

 Trap seal depth  $\geq 50$  mm with a greater water seal area resulting in an odourless bathroom

 User-friendly installation

 Products produced at our manufacturing units as per ISO & ISI standards

 100% inspection of visual, dimensional & functional (100 balls, single ball, smudge, bowl washing, splashing, leakage, trap seal, tissue paper)

 Zero complaints of delay dunt/crazing

 Online/Onsite installation guidance available

 Firing with an advanced, microprocessor-controlled, and highly energy-efficient German Keramischer kiln. Longer firing cycle,  $>1200^{\circ}\text{C}$  peak temperature with a longer soaking period for an even glaze formation and minimum water absorption giving our products a zero chance of delay dunts well past the 10 year warranty period

 Easy to clean, household chemical & soft acid resistant, scratch and stain resistant glaze with whiteness  $> 93$  and high gloss (best in the industry)

 Soft close, antibacterial & ultraviolet resistant PP/UF seat cover

 Consistent size and premium aesthetic

# FRENCH COLLECTION

Perfect blend  
of style and  
comfort

With smooth-flowing designs and unparalleled comfort, our French Collection water closets are second to none.

# FRENCH COLLECTION

## BATH FITTING

The quintessence of  
French elegance.

Be it Diamante or Elysees, our French Collection stands out from the crowd, thanks to its aesthetic appeal, its smooth, uniformly coated lines, its range of special shades, durability and the way it is created. All in all, this is a premium collection that is second to none.

2. Warranty Terms

- The warranty is applicable from the date of purchase.
- The customer must produce the VAT/GST paid invoice in original to avail warranty service. In case the purchase has been done by the developer of the apartment, the possession letter from the developer will be treated as equivalent to bill.
- SOMANY products are warranted free of any manufacturing defects.
- The company is not liable for any damage out of faulty installation.
- SOMANY will at its choice, make appropriate adjustment repair or replace where its inspection discloses any such defects occurring in normal usage as per terms mentioned below. SOMANY is not responsible for installation costs.
- SOMANY reserves the right to examine product in question, and its installation, prior to replacement and will replace free of charge any part that proves defective in material and manufacturing workmanship under normal installation, use and service.
- The warranty becomes null and void if installation is not done by qualified and experienced technician/plumber and/or as per the installation procedure laid down by the company.
- The company is also not liable to pay for any civil or construction work required during installation of new products or replacement/repair of old products.
- The company is not liable for any consequential expenses or damages.
- If the manufacturing defect is seen within the first year of purchase on the ceramic product, the customer is entitled for free replacement. In case the manufacturing defect is seen after the first year of purchase & before the warranty period expires, the customer has to pay the company on proportionate basis on current MRP for new replacement.
- An equivalent replacement at pro-rata basis shall be provided in case the product has been discontinued, where in the customer has to pay proportionate amount on the current MRP, given the product is within the aforementioned warranty terms.
- During the warranty period and under normal use, if the product / component / part is found to be of faulty due to manufacturing defect, the same will be repaired or replaced upon production of this GST/VAT bill, without charges either for part or labour or both, the decision of company official will be final for fault qualifies for warranty.
- Warranty remains applicable only if the products have at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given.
- In the event of non-availability of components or parts due to any reason whatsoever Company or its Authorized Service Center or the Dealer will not be responsible or liable for any delay that may be caused to service/repair of the Products; no claims financial or otherwise will be entertained.
- Company and customer agree that company will not be liable for any damages whatsoever arising out of use or inability to use its Company's Products. SOMANY bears no responsibility for incidental or consequential damages arising out of use or inability to use Company Product.
- By purchasing this product, customer agrees to Company's aforesaid warranty on the product.
- Company neither assumes nor authorizes any person to assume for us any other obligation or liability in connection with sale of this product.
- Customer and Company agree that customer's sole remedy for any defects in goods hereunder shall be limited to the repair or replacement at the Company's option within warranty period after delivery of such goods to the first purchaser, of any defective goods, of which notice of defects is given by the customer to the company in accordance with terms of this warranty certificate.
- The part/product against replaced part/product will be property of Company. Company shall not be liable to Customer claiming the warranty under the terms of condition of this Limited Warranty Certificate, due to defects caused by rodents/pets or in the events of force majeure. The Force Majeure means any disaster, act of God or the public enemy, any accident, explosion, fire, storm, earthquake, electric storms, tornado, flood, casualty, lockout, strike, labor conditions, unavoidable accident, nuclear explosion, national calamity, or any other circumstance or event or by any enactment of law, or by order of any legally constituted authority, or by any other similar cause of the Company or beyond the reasonable control of the party relying upon such circumstance or event.
- Company and customer agree that SOMANY bears no responsibility for incidental and / or consequential damage arising out of use and for inability to use a product. Company liability will be limited and restricted to the product replacement/value of the product sold. Company under all circumstances shall not be liable to uninstall the defective product or installed replacement product. In case, replacement is the only option then the customer has to hand over the defective product with authorised replacement paper issued by company official. To the seller and take the replacement product from there.
- Product design improvement is a continuation process and it is possible to change in part/design/aesthetics/dimension hence it is advised to check the product for plumbing, company is not responsible for any consequential expense/losses.

### 3. Warranty terms for Water Heaters:

- The warranty is confirmed to the original purchaser or to the owner who uses the product at first installation place.
- All the parts of the product which prove to be defective in workmanship and/or materials shall be repaired or replaced free of charge on intimation to the company.
- Only the company or its Authorized Service Centre can service/repair the product.
- This warranty will not be applicable, if defect arise/ caused by accidents, alteration, misuse, abuse, substitution of original components with non-genuine components, ailed (by household pets, fire, flood, earthquake, lightening and/or any other act of God/natural calamities).
- The warranty shall be automatically terminated on the expiry of warranty period specified herein above, even if the unit may be not in use for any time during the warranty period for any reason whatsoever.
- SOMANY or its Authorized Service Agent reserves the right to retain any part or component replaced at its discretion in the event of a defect noticed in the equipment during warranty period.
- While the Company will make every efforts to carry out repair/replacement under warranty as soon as possible, it is explicitly made clear that the Company shall not liable to do so within the specified time.
- In no event shall the Company/its Authorized Service Agent/Dealer liable for special or consequential damages or resulting liability, damage or less arising directly or indirectly for any delay in the performance of this warranty due to causes beyond the control.
- Replacement of parts would be purely at the discretion of SCL alone. In case the replacement of the entire unit is being made, (subject to the sole discretion of SCL), the same model shall be replaced and in the event model has been discontinued, it shall be replaced with the model of price equivalent at the time of purchase.
- Consumable items like AL anode & flexible connection pipes would be replaced on chargeable basis.
- This warranty shall not cover any consequential or resulting liability, damage or loss to property or life arising indirectly out of any defect in the product.
- The company's obligation under this warranty shall be limited to repair or providing replacement of defective parts/products only under the warranty period.
- This warranty shall be governed by laws of India and all disputes are subject to Bahadurgarh (Haryana) jurisdiction.

### 4. This warranty is not applicable in case of the following events

- Any defect or damage caused to the product due to natural wear and tear.
- The product is not installed and maintained according to the instruction given in Maintenance Booklet or in the Instruction Manual.
- Any repair work is carried out by the persons other than authorised service personal
- If the product is taken out of India.
- Any Modification/Alteration in the original unit or component will lead to void the warranty.
- This warranty becomes null and void if any alterations in basic structure, or parts either by way of adjustments, addition, or which has been subjected to negligence, abuse, misuse or accident, damage caused by repairs or while in transit, in case it is done other than the Company may be provided.
- This warranty will continue to be in force for the terms specified above irrespective of what replacements under it and such replacements shall not attract any fresh period of warranty beyond the period specified above.
- The product is not installed and maintained according to the instruction given in Maintenance Guidelines or in the instruction book.
- If cleaning agent is used on products for more than specified period it can damage the sheen /shine of the product.

### 5. Value Added Services:
